

Empower patients with the ZYRTEC® ALLERGYCAST® app*†

Use product only as directed.

Discover the latest features and benefits

ALLERGYCAST® app can help you and your patients have more productive and personalized conversations about allergy management.

Powerful features allow patients to:

- Create multiple profiles to track symptoms for their whole family
- Set customizable tracking reminders for a specific time of day

As always, ALLERGYCAST® app offers:

- Daily allergy impact, pollen count, and weather forecasts
- Symptom tracker to help pinpoint personalized trends
- Export feature for more detailed conversations
- High-pollen notifications and more

For additional allergy support, recommend ZYRTEC® for long-term, consistent relief¹
